ENG. N.Y.

1. Michael Henry Beaumont EDDOWES is known to you as the British solicitor involved in the celebrated PROFUMO/KEELER/IVANOV scandal of 1963. EDDOWES was interviewed more than once by your New York field office in that year. It appears that EDDOWES is currently researching a book on the assassination of the late President Kennedy. He is being assisted in this task by James Michael MARLER a private investigator who accompanied EDDOWES on his visit to the United States in June 1963 and who was also interviewed by your New York field office during that visit. ENG.

2. I am enclosing a copy of a report from a reliable source which indicates the nature and extent of EDDOWES' researches and the line he intends taking in the book.
